Proctor Free Library
Proctor, Vermont

The class of 2016 is delighted to dedicate this year's yearbook to Mr. Gregory Mott, a.k.a "Mott-Dog", and Mr. Arlen Bloodworth, a.k.a "The Ping Pong Master". Without these two caring and enthusiastic teachers, our high school experience would not have been the same.

Mr. Bloodworth was our 7th and 8th grade science teacher. Thanks to Mr. Bloodworth, we now know how to balance chemical equations and bribe a teacher for Dr. Pepper. Not only did he give our class life lessons but he also gave our entire class detentions for incessant talking. Mr. Bloodworth and his dedication to the students continues to be out of this world. His endless support to the school has extended beyond the classroom. Mr. Bloodworth's "Pretty Shaky Productions" have given us the opportunity to relive past sporting events, musical performances, and more.

Mr. Mott, our History teacher, has been forgiven for the amount of work he has assigned over our years at PHS. History can be a boring subject to learn, but not with Mr. Mott as your teacher. Not only is he a walking history book, but he also has some of the most hilarious life stories. You can always find Mr. Mott in his blue dress shirt, khakis, and "fresh kicks for the ladies." He also gave us the opportunity to go to Yale Model United Nations, which he referred to as "an expensive dating service." He also gave us relationship advice, saying that, "If you have doubts about a man, dump him." Thank you both for everything that you have done for our class. We will forever cherish your support and life lessons.

Winter Carnival will always be my favorite PHS memory. In such a small school, we were able to do so many fun games/activities and still have some of the day left over to play Just Dance!!! "Good things take time." - Anonymous

Mrs. Burke (Frau) -

In her 36 years at PHS, Frau has helped students and teachers strive for success in their roles. Her straight-forward and honest opinions have helped others develop new strategies and personal habits to improve themselves and our school. She always took extra time to support students with their college and scholarship essays; because of this, her influence has extended beyond the school and helped students reach their college goals. "She is outstanding"; is the resounding sentiment from all who have worked with her. With respect and admiration, we thank you for your dedication to our school community. Frau, you will be greatly missed!

In her 13 years at PHS, Mrs. Dowling has taken many teachers and students under her wing. To enrich student's learning experiences, she brought them to the Geo Bee, plays, the Montshire Museum and the Lake Champlain Maritime Museum.

When students struggled with their work, she was one of the first people they would seek help from. They knew she would go the extra mile for all of her students until they understood the concepts. One colleague said, "Every time I needed her, she was there." Mrs. Dowling's passion for history, consistent work to support students and her dedication to helping middle school students is what made her a wonderful teacher and we are grateful to have had her at Proctor High School.

The lady Phantoms finished the 2015 season winning the MVL title and their third straight championship with a 16-0 record. They outscored their opponents 58-9 and had 10 shutouts. They were co-coached by Scott French and Chris Hughes. The captains were Abby McKearin, Morgan Anderson, Olivia Valerio and Maddison French. This

season was an incredible one. On an individual basis Abby McKearin concluded her high school career with 168 goals breaking the state record for men and women of 148 goals. Great job, Abby. This is the most enjoyable team I have ever been involved with. They work extremely hard every day that they stepped on the pitch. They also played by our team motto "It's always 0-0" in every game. It is tough being the two time State Champions because everyone gives you their best game when they are playing against you. This team stepped up to every challenge. I love you girls. I will never forget this team. Congrats to my seniors, Abby McKearin, Morgan "the ass machine" Anderson, Brittany Gates, Courtney Currier, Olivia Valerio, and my daughter Maddison French. Coach French

Fútbol De Hombres

The Proctor boys' soccer season was fantastic. At our first morning practice, I told the players; "This season has the chance to be really special. It starts here. We have a good chance to play on Halloween for the state title. However, it isn't going to be handed to you. Everyone wants to beat Proctor. We aren't called Title Town for nothing. You've got to show up and want to get better every day!" The boys Proctor Phantoms took up the challenge and delivered its best to the school and the town. The team ended their stellar season with an overall record of 14-2-2, 8-0 in MVL, 2015 MVL "D" Champs, and most importantly, the 2015 D IV State Champions.

The entire coaching staff has considered it a privilege to have coached this great group of varsity soccer players. It can sometimes be difficult to have a whole group of kids that wants to work together and improve every day. However, we could not have asked for a better group of student athletes. They all played a significant role in the season, they all grew, developed, and matured as players and as young men.

The Beautiful Game

"Going into the season I wasn't thinking of the championship. I was thinking of improving myself, and getting the team 'championship ready.'"
-Nick Ojala #7

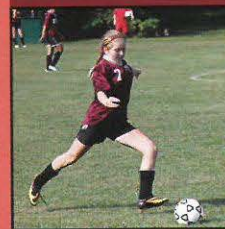

The junior high boys team recruited multiple elementary school-level athletes for this year's season. Seventh grader Conner McKearin said "There were some difficulties, but the season was still fun."

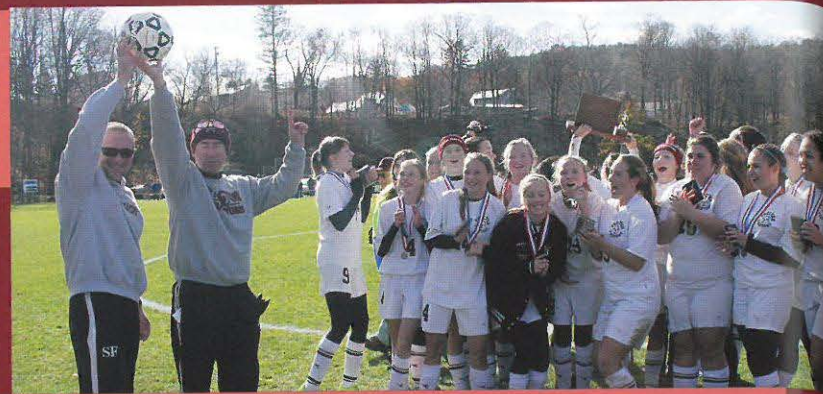

"Playing in the Black River Tournament is a great experience. They're a good opponent."
-Reilly Duggan #17

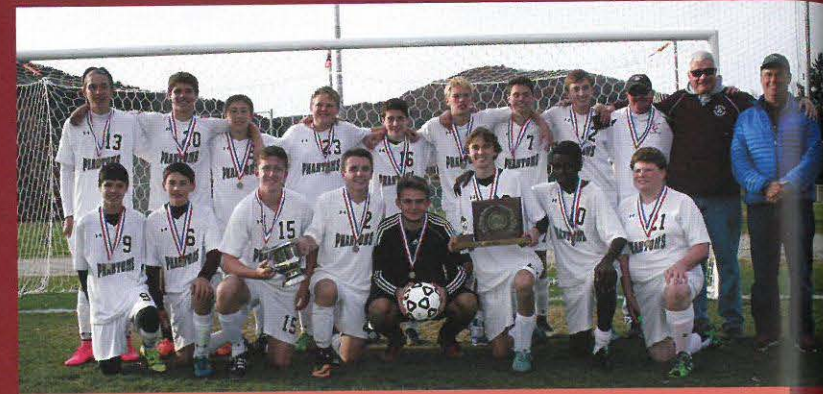

"This season went as well as it could. Our team only let in one goal. It was awesome."
-Allison Almond, JH #7

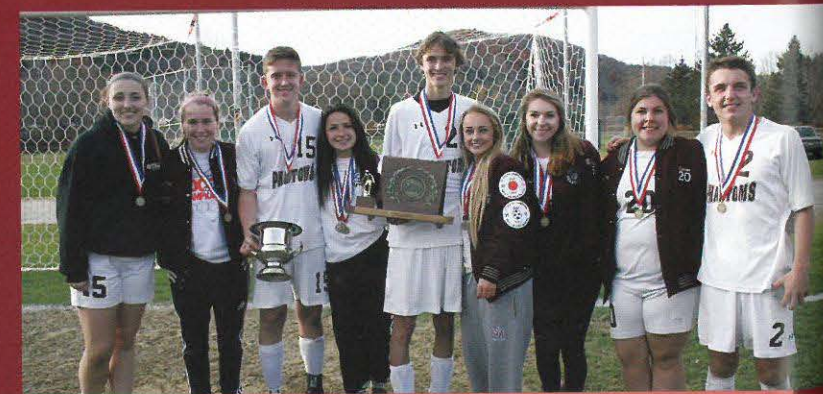

Pictured: Solomon Parker, one of two junior high athletes brought to varsity, celebrating his goal against Black River. Forward #13, Derek Almond said "Playing with Solomon is great. He brings a lot to the field."

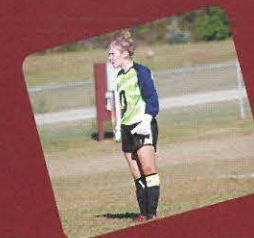

Proctor's Lady Phantoms reigned supreme over West Rutland's Golden Horde in an intense 2-0 game in the Division IV State Championship Game.

After an intense game, double overtime, and three rounds of penalty kicks, the Proctor Phantoms captured the State Title in a neck-and-neck battle against Arlington High School.

This year's group of seniors earned a combined total of FIVE State Championships in soccer! Is there a better way for seniors to end their last season?

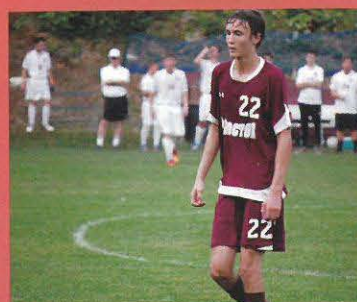

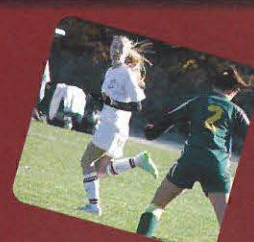

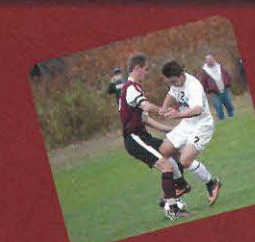

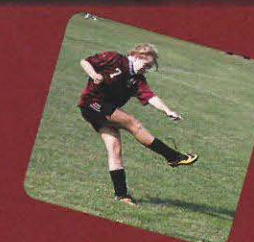

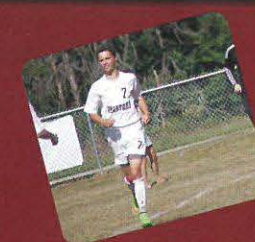

A Goal to Remember

Senior, Abby McKearin, has achieved so much within her four years of varsity athletics: Four trips to the Division IV State Championship for soccer, resulting in three consecutive victories, two consecutive basketball State Championships, and an outstanding reputation as an athlete and a student. But her senior soccer season exceeded all other accomplishments. The goal of all goals was during the heated match against Mount St. Joseph Academy on October 6th- in which the phantoms came out on top at 4-2. McKearin now holds the title for the most goals scored by ANY varsity player in the state of Vermont. "I couldn't believe it. I was in shock. It was just crazy." McKearin said.

Morgan Anderson, who assisted her record setting goal, reminisced on the four years she has spent with McKearin. "Playing beside my best friend is an experience I'll never forget. It's an honor to have had the opportunity. I'm so proud of her." McKearin has left an everlasting mark on her community, her school, and her teammates.

Vamos lá Proctor

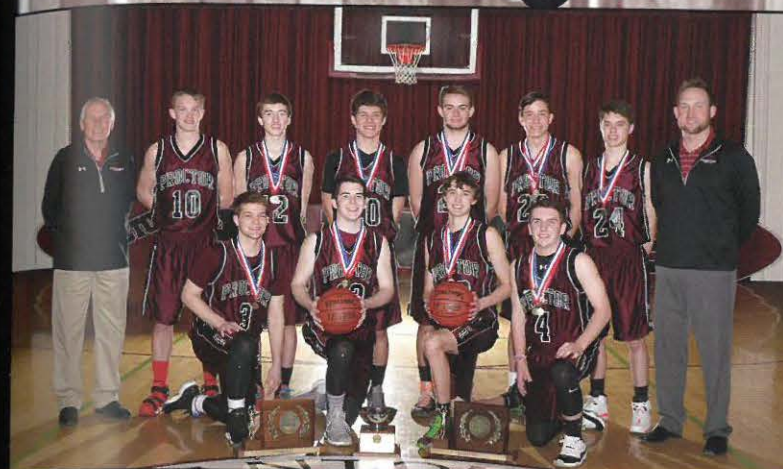

Varsity Ladies Basketball

The 2015-16 Lady Phantoms were coached by head coach Chris Hughes, and assistant coaches Lisa Hughes and Jacob Tanner. The captains this season were seniors, Abigail McKearin and Olivia Valerio, and Junior Sierra Thornton. This year's Lady Phantoms had an impressive record of 16-4 in regular season and 18-5 in the whole season. During regular season the Lady Phantoms beat DI Burr and Burton, as well as beating this year's VII state champions, Fair Haven. Abigail McKearin scored her 1000th point against Arlington the same night as the Lady Phantoms vs Cancer fundraiser, which was another huge success. They also achieved one goal of making it back to the Barre Auditorium for the 5th straight year, which the team refers to as "OZ". Both Olivia Valerio and Abigail McKearin made the Senior North-South All Star team and first team all MVL.

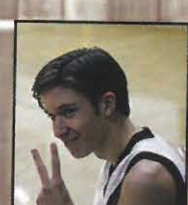

Varsity Men's Basketball

The 2015-16 Proctor Boys went into the season with high expectations as defending champions and they didn't disappoint. They went 21-3 and undefeated vs. Division 4 teams on their way to back-to back State Championships. The Phantoms overwhelmed opponents all year with their superior talent and impressive depth.

Nobody worked harder and had as much fun as we did! I'll always remember this team for their selflessness and comradery. They all gave up a little something individually in order to win the ultimate team goal.

The 2nd period physics class, taught by Mrs. Digan, created bridges that had to be constructed completely out of popsicle sticks, nuts, washers, and bolts. The bridge could not be any longer than 3 feet and couldn't weigh more than 5lbs. The two groups then tested their bridges to see which bridge held the most weight. In the end the boys group ended up winning with a bridge holding 87.7lbs and the girls holding 62.2lbs.
